

# NEPA Projects by Year and Process Type

Preliminary data | 19,694 projects with year assigned | 57% flagged for review

## EA

## EIS

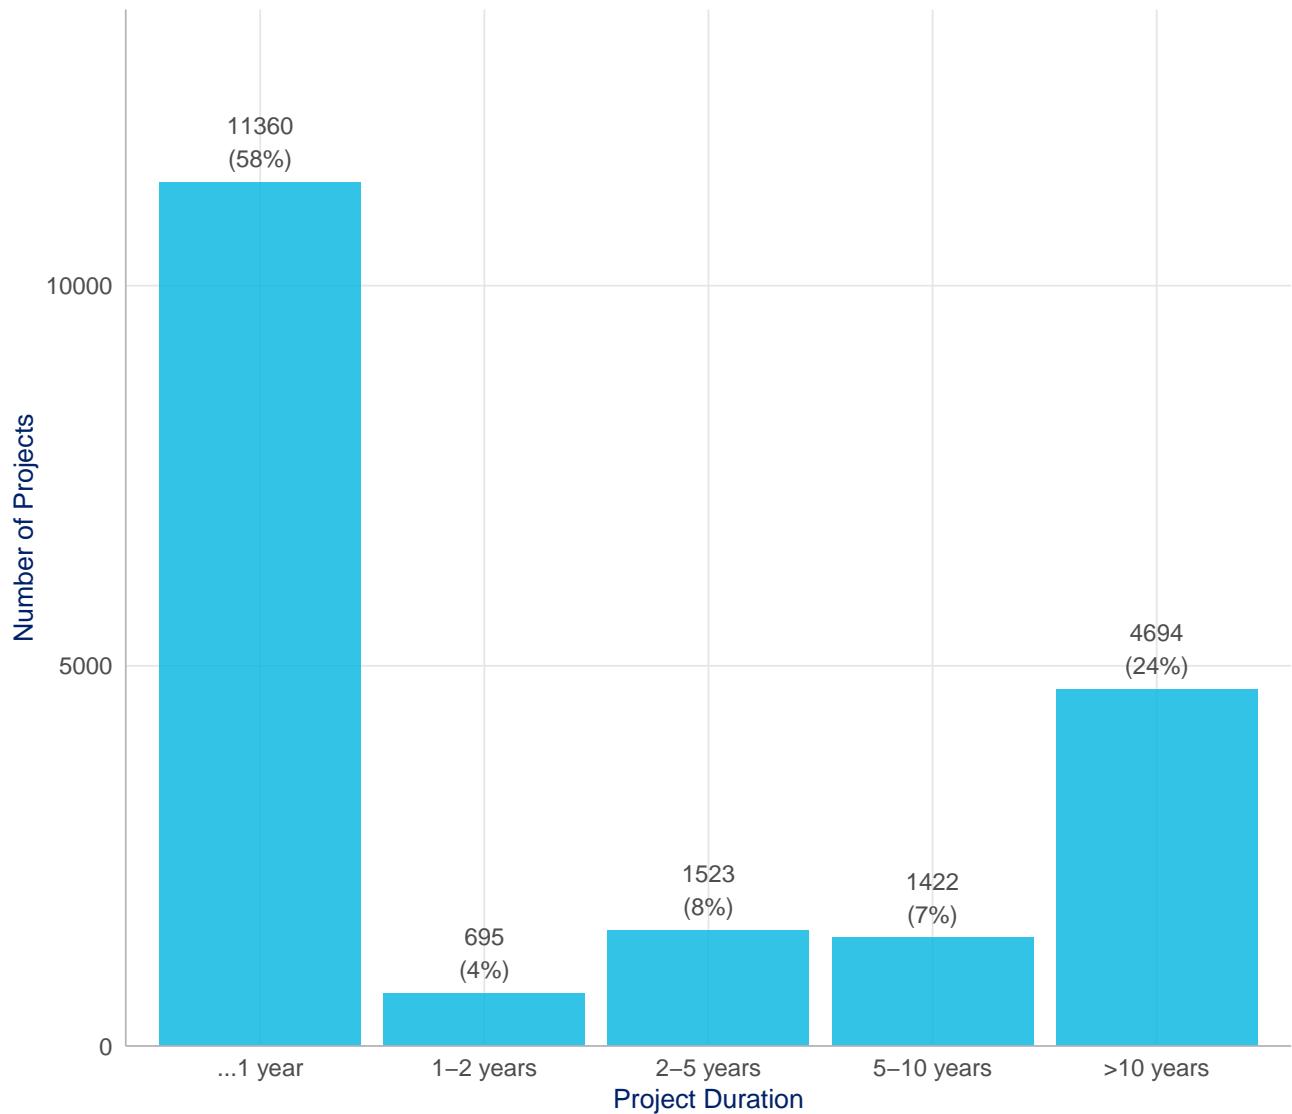

## CE

Note: Year derived from decision date or latest date in documents.  
Data quality under review – results are preliminary.

# Distribution of Project Duration

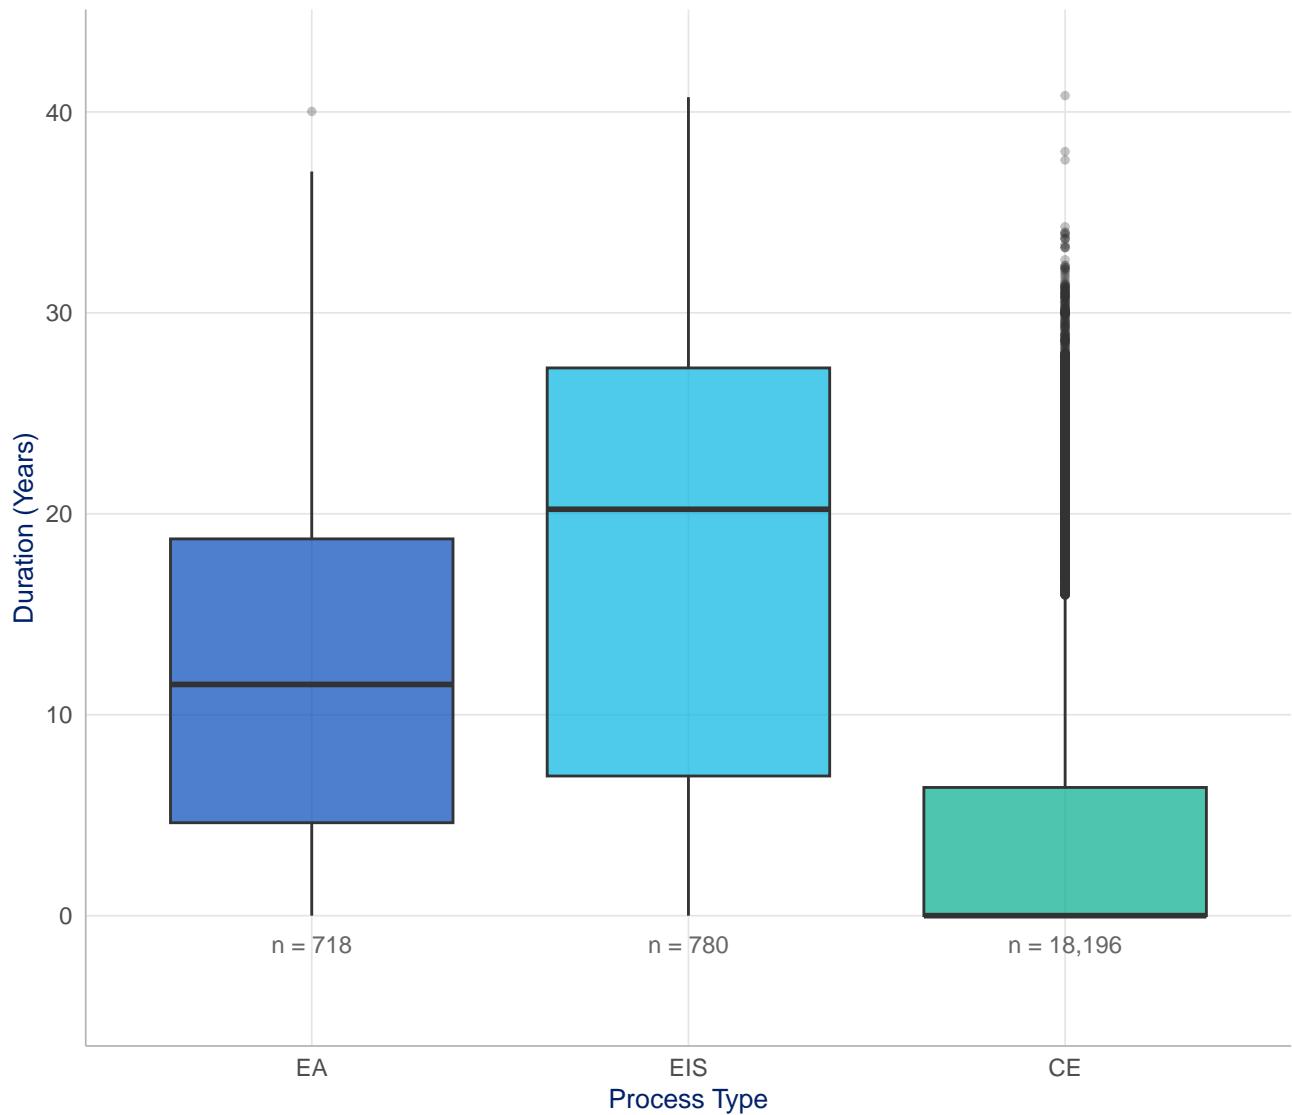

Preliminary data | 19694 projects | High outlier rate indicates data quality issues

Note: Duration = latest date – earliest date in documents.  
Durations >5 years likely include false positive dates (citations, references).

# Project Duration by Process Type

Preliminary data | 19,694 projects | Outliers indicate data quality issues

Note: Duration = latest date – earliest date in documents.  
Long durations likely include false positive dates from citations/references.
